3) There are five Cattle Pounds in Mysore City which are
manned by four Pound Keepers on a pay of Rs 15/- each.

They are officially designated as Mutsaddis (Clerks)

and are consequently classed as Ministerial Officers

Their duties are, however, not of wholly ministerial

character, as besides maintaining the accounts of the

Pounds, they are responsible for the feed and keep of

cattle impounded and for proper watch and ward of the

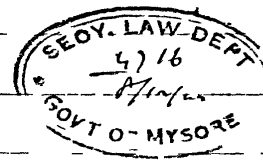

animals, the pound building and the equipment They may

therefore be classed as quasi-ministerial posts

4) The small pay of these appointments and the absence
of any hopes of promotion to other posts on higher pay

have been the reasons for not attracting men of the right type, education and character. It is only very recently that serious irregularities involving falsification of accounts, misappropriation of collections and finally the disappearance of a pound mutsaddi came to light.

5) The proposals now formulated by the Municipal Council to treat these posts as executive appointments with chances of promotions to other posts such as Octroi Managars etc may attract better type of men and improve the tone of the administration of the Pounds. The proposals may therefore be approved.

as to admit of interchange and
give chances of promotion to the deserving
officers. The I.L. Comm. Officer
has reported that the posts of Band Keepers
and Band Post Keepers are treated as
executive in Mysore & that accordingly
the Band posts may be treated as executive
in the case of the Mysore I.P. also so
as to facilitate the transfer of officers
in the cadre from Mysore I.P. to the
Mysore I.P. force reserve.

In view of the above reasons,
sanction may be accorded to treat
the posts of Cattle Post Mount Adris
as executive the same interchangeable
as has been done in the case of
bill collectors and other moneyars

Sir,

Subject - Regarding conversion of the posts of cattle
pound Mutsaddis to that of Executive
ones.

954

I have the honor to state that there are four posts of cattle
pound Mutsaddis on a pay of Rs 15/- per mensem on the sanctioned
scale of the Establishment of the Revenue Section of this Municipality. These posts come under Class II-Ministerial advertisable appointments and are filled up after advertisement according to Public Service Commission Rules. Since the post carries a fixed pay of Rs 15/- per mensem, the cattle pound Mutsaddis have no chances of promotion. They cannot even be promoted to other executive posts of either Bill Collectors or Octroi Manegars, nor can they be taken to the clerical line without the sanction of Government.

high

The pay of the last grade of the Octroi Manegars is the same as that of the Cattle Pound Mutsaddis whose duties are almost analogous to those of the Octroi Manegars. With a view to give chance to the capable and qualified cattle pound Mutsaddis, it is considered desirable to treat the posts of the Cattle Pound Mutsaddis also on the same basis as in the case of Octroi Manegars ^{whose services} which were treated as Executive as per G.O. No. L 8092-5/M 55-42-56 dated 5th March 1943 and the posts made interchangeable. The Revenue Officer reports that a recommendation may be made to Government to treat the posts of Cattle Pound Mutsaddis as executive ones with a view to promote the deserving and qualified officials to the posts of Octroi Manegars.

In the above circumstances, I request you to be so good as to obtain sanction of Government to treat the posts of cattle pound Mutsaddis as executive ones, so as to admit of interchange and give
